## Chapter 1 by SAMANTHA REINER

Can you believe God has banished me from this place this beautiful place. That's called Heaven or a world after Death. But why me. My destiny was to live like a super star, a queen of beauty. But instead a drunk driver hit me when I first got my licenses. I hate him. At least he ended up in Hell. Sometimes I wonder what goes on down there. Maybe torture and bodies all lay out on the ground making a throne for the devil. Sometimes I wonder if he's not that bad. That's why i'm getting banished from Heaven I believe that Hell is not as bad as it seems. I lay down on my cloud getting ready for the guards to come take me away or push me off my cloud how ever it goes. It's my first time being banished from Heaven. I just hope i'll find someone to help me on Earth.

"Angel. It is time for you to leave." I got up and walked up to them. They put me rope and carried me towards the edge. The edge was the most scariest thing that was in Heaven. Me and my friends used to dare each other to walk towards it and see who can get close enough. But we stopped after Tim fell that one day. They haven't got him back, but to me they didn't care about him. "Okay Angel, I am very sorry for you but you know the rules and you broke them. Now remember when you fall hide your wings and you will not be injured. You may come back

anytime once you learn your lesson. Goodbye Angel. Plus remember don't tell anybody your secret you hear me?"

Yes, also I don't care I have a [Login](#) or [Create new account](#) in the and gave me a smile. I closed my eyes. I felt the push of them. I felt them wind getting more hotter and hotter. Soon enough I felt water. I was swimming. I felt my hair and it felt so weird. I never actually seen

water in over 30 years. I looked so different to. My hair is blonde and not white, and i'm wearing a blue shirt with a blue skirt. I guess the fall took away my Angeles. But not all of them. My wings. I felt my wings ripped some parts of my clothing. I didn't mind at all. I pushed through the water and sprung out of the water. I saw the city far away. I knew that's where I'm going.

I watched the demons take torture victims away for more tortures. Its so funny sometimes watching them suffer. But today i'm going away. I am sent to go to the real world and bring back 5 items. Dragon tear, Hair of a beauty, A person as black as darkness, Maya of timber creek, A fallen Angel from Heaven.

I walked up to the portal, and stuck my hand in hit. It was cold, but warm. I looked behind me and saw my mother and father (the devil) give me a little wave and a smile. I walked through the portal. Soon enough I was in a subway station. I saw people walking. I looked at my skin, it was normal. I was wearing a leather jacket. My hair wasn't made of fire anymore it was black and a little bit longer than I thought it would be. I had a little bit dirt on me but as you can see everybody does. I walked up to the city and saw all these lights. It was so cool. I knew I am where i'm at. "Okay Mic now time to get a Dragon tear, but where?"
